

IBPS Clerk Syllabus

To prepare for the IBPS Clerk 2025 exam, candidates need to familiarize themselves with the syllabus for both the Prelims and Mains exams. The exam assesses several key areas:

- **Reasoning Ability:** Tests logical thinking and problem-solving skills.
- **Quantitative Aptitude:** Includes mathematical concepts and data analysis.
- **English Language:** Focuses on reading comprehension, vocabulary, and grammar.
- **Computer Aptitude:** Covers basic computer knowledge integrated with reasoning.
- **General/Financial Awareness:** Checks knowledge of current affairs, banking, and financial topics (included only in the Mains exam).

IBPS Clerk Prelims Syllabus

The Preliminary exam is objective-based, consisting of three sections: English Language, Reasoning Ability, and Numerical Ability.

Detailed Syllabus

English Language	Reasoning Ability	Numerical Ability
Reading Comprehension	- Puzzles (Box-based, Floor-based, Day/Month-based, etc.)	- Simplification (BODMAS, indices, percentages)
Fillers	- Seating Arrangements (Circular, Linear, Triangular, etc.)	- Approximation
Sentence-Based Error Detection	- Inequality (Direct/Indirect)	- Number Series (Missing/Wrong)
Vocabulary	- Distance and Direction	- Inequality (Linear/Quadratic Equations)
Cloze Test	- Coding-Decoding (General)	- Ratios, Proportions, Percentages
Sentence Rearrangement	- Blood Relations	- Simple and Compound Interest
Idioms & Phrases	- Syllogism	- Time & Work, Profit & Loss
Para jumbles	- Series (Alpha-numeric, Symbol-based)	- Data Interpretation (Tables, Bar charts, Pie charts)

IBPS Clerk Mains Syllabus

The syllabus for the Mains exam is broader, with a higher difficulty level and the inclusion of the **General/Financial Awareness** section.

Detailed Syllabus

1. **General English:**
 - Reading Comprehension (Conventional, Short RCs)

- Sentence Rearrangement (Mixed, Phrase Swapping)
 - Error Detection (Old/New Pattern)
 - Idioms & Phrases (Meanings, Usage)
 - Cloze Test (Blank, Replacement-based)
 - 2. **Reasoning Ability and Computer Aptitude:**
 - Seating Arrangements (Circular, Linear, Blood Relation-based)
 - Logical Reasoning (Assumptions, Inferences, Conclusions)
 - Series (Alpha-numeric, Coded Series)
 - Input-Output (Arrangement, Shifting)
 - Syllogism (Normal, Reverse)
 - 3. **Quantitative Aptitude:**
 - Approximation and Simplification
 - Number Series (Missing/Wrong Patterns)
 - Arithmetic Topics:
 - Ratio & Proportion, Percentage, Averages
 - Time & Work, Speed & Distance, Profit & Loss
 - Mensuration, Probability, Permutations & Combinations
 - Data Interpretation (Pie charts, Mixed charts, Caselets)
 - Data Sufficiency (2 or 3 Statement Questions)
 - 4. **General/Financial Awareness:**
 - National/International Current Affairs
 - Sports News, Banking Awareness, Static GK
 - Union Budget & Economic Survey 2025-26
 - Important Appointments, Days, Awards
-

Language Proficiency Test (LPT)

Candidates qualifying for the Mains must pass the **Language Proficiency Test (LPT)**. This test evaluates skills in the official language of the state applied for.

- **Key Areas:**
 - Reading comprehension
 - Writing letters/essays
 - Grammar and vocabulary
 - Basic conversational skills

Passing the LPT is mandatory for final selection.
